Before you can make an entry you need to create an Evo Events account.

Each individual needs their own account with an email address and password.

It is not necessary to be a member of ESNZ to have an Evo Events account.

To create an account first click REGISTER top right

You will then get a form to complete, if you are not registered with ESNZ ignore the field for the ESNZ number

Once you have completed the form you click SIGN IN and your registration is complete.
