# Uploading Music for a Musical Freestyle Class

Go to MyEntries and click the More button beside the show.

In the upload documents area, change from 'File' to 'Music for MFS'

Now you will see a new pull down where you can select the class and horse for the music.

Type in a description (suggest the class number as a double check).

Click on choose file and select it from your own computer.

Press the 'Upload Document' button.
