

Linking under 18 riders to a parent account.

Entries for riders under 18 need to be made via the parent account. If the rider and parent already have accounts using the same email address but different passwords then the accounts should link automatically.

If they don't you have a couple of options.

1. Sign in to the account of the person under 18 click on MY ACCOUNT

Scroll down until you see 'Other people nominated to make my entries'

Other People Nominated to Make My Entries (spouses or owners)

My Horses

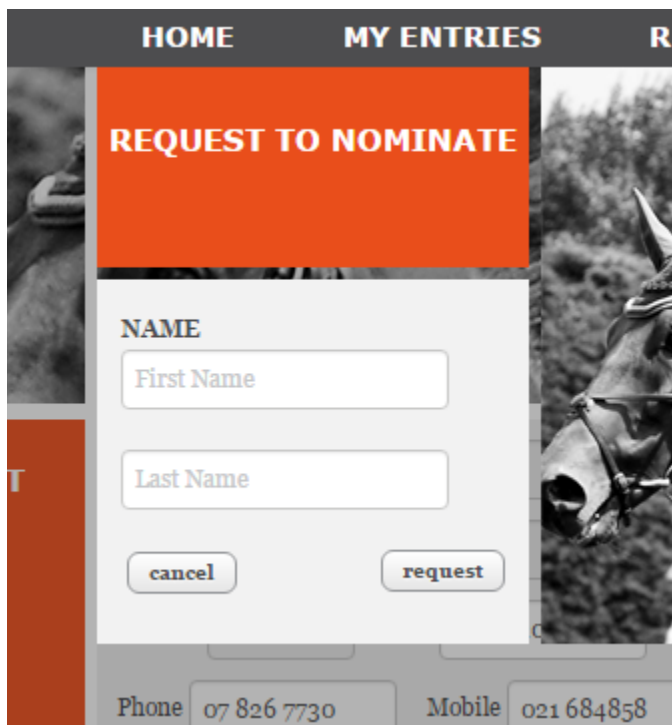

OR

not ESNZ registered

NAME	ESNZ #	FEI	ACTION	EMAIL OWNER
Baby	N/A	N/A	<input type="button" value="detail"/> <input type="button" value="unassign"/>	<input type="button" value="add"/>
beautiful	N/A	N/A	<input type="button" value="detail"/> <input type="button" value="unassign"/>	<input type="button" value="add"/>

Click REQUEST TO NOMINATE button and you will get a pop up asking for the name of the person.

Put in the parent name. This will only be successful if the person you are nominating has an Evo Events account. It is not instantaneous and may take 24 hours to be processed.

The screenshot shows a mobile application interface with a dark grey top navigation bar containing the words 'HOME', 'MY ENTRIES', and 'R'. Below the navigation bar is a large orange banner with the text 'REQUEST TO NOMINATE' in white. Underneath the banner is a white form with the heading 'NAME'. The form contains two input fields: 'First Name' and 'Last Name'. At the bottom of the form are two buttons: 'cancel' and 'request'. The background of the app is a grayscale image of a horse's head. At the bottom of the screen, there is a grey bar with contact information: 'Phone 07 826 7730' and 'Mobile 021 684858'.

2. Use the webchat to ask for the accounts to be linked. Once again this will only be successful if both the parent and child already have accounts with Evo Events. Once linked you can instantly make entries from the parent account.
